RE: C00481168 Objection To Termination Proposal / Rule 11 Investigation

Dear Commissioners,

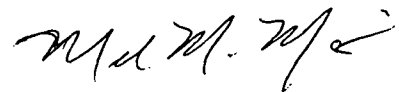

The Postal Service confirmed that your office received my last letter by certified mail in April, objecting to ending my congressional campaign.

I sent with it a quarterly report, but I have nothing from you and it is time to send a new report if that campaign and number are still alive. Why do you ignore me?

Can you tell me if that campaign and number are still good so I can send a new quarterly report that is due now, or not waste my time on it and get the termination issue resolved in the federal court so I can continue my campaign?

If you have terminated my campaign, please treat this as an investigation of law and fact pursuant to Federal Rules of Civil Procedure, Rule 11 to give the commissioners the chance to explain why they continued the termination after notice that it would not be proper. I am entitled to an answer.

Sincerely,

Mel M. Marin
